

REMARKS

This paper is responsive to telephone interviews between the undersigned attorney and Examiner Sefcheck. The Examiner indicated that if a Terminal Disclaimer were submitted with regard to U.S. patent 7,065,042 a Notice of Allowance would be issued.

Accordingly, a Terminal Disclaimer with regard to U.S. patent 7,065,042 is submitted herewith.

Applicants again wish to thank Examiner Sefcheck for his helpfulness and consideration during telephone interviews with the undersigned Attorney.

Applicants have made a diligent effort to place the application in condition for allowance. Should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone David A. Dagg, Applicants' Attorney at 617.630.1131 so that such issues may be resolved as expeditiously as possible.

Respectfully Submitted,
